

Advisory Council Formed
Email to thetacialums from Nate Dietrich on 1/2/07

2 more things...

a) You will get more info in a separate email, but the decision to sell the house or rent to another student organization has been put on hold for 90 days. If the chapter meets certain benchmarks the house will be safe. The Chapter Advisory Board will hopefully help the house meet such benchmarks.

b) Darren Goetz also will be helping out with the Chapter Advisory Board.

Theta Chi Alumni-

Tonight the Theta Chi Alumni Association held a meeting to discuss the state of the chapter and what we all can do to help the chapter be successful again. One thing that was very evident was that as alumni we can lend a helping hand with the actives in getting themselves organized in a wide variety of ways (financially, management, rush, ritual, etc). It sounds like the actives are essentially begging for our help.

To that end a Chapter Advisory Board will be established. This board will be an informal mechanism and opportunity for alumni to offer guidance to the active office holders (President, Treasurer, House Manager, Rush Chair, etc). The first meeting of the Chapter Advisory Board will be held next week on **Wednesday January 10th at 6:30pm at Will Portello's office, located at 430 D Street in Davis.** Tim Brown, Jeremy Pine, Will Portello and I have offered our services and would like to have more Sacramento, Bay Area or any alumni that has time to get involved. You would only have to be in Davis once every month or two- if that and much of this can be done via e-mail and phone calls. Also, I am sure a lot of our work can be done at the Paragon or Woodstock's. Once we meet as alumni, we will then reach out to the actives.

The time commitment would be small, but with your experience in the house and since you've been out, I am sure many of you can offer a lot. If you are interested please try to attend or give one of us a call or email.

Fraternally,
